

HILLSDALE COLLEGE

PURSuing TRUTH · DEFENDING LIBERTY SINCE 1844

The Foster Floor people went far above and beyond what should be expected to complete our arena floor on schedule. They were a pleasure to work with even in the midst of extreme construction pressures. The Robbins floor they installed has performed even better than we expected. After the first season of use we know the Bio-Channel Classic floor system, which is used on our two practice courts, is an excellent product. Our student athletes are thrilled with the outstanding feel of the court and our athletic training staff is pleased with the marked reduction of chronic injuries our athletes suffered through the year. We especially appreciate Foster's willingness to "marry" the Bio-Channel Classic on our practice courts to the MVP system on our game court. The performance of the MVP floor is on an even higher level than our practice courts, so together, we have fantastic flooring in our arena.

Don Brubacher

Director of Athletics - Hillsdale College
